

## Personal Minimum Wardrobe Plan

coats, raincoats, capes

Cross off the items you never or only very rarely wear.

jackets

For the remaining items :

casual jackets such as knit cardigans, shirt jackets, shrugs, hoodies

do you wear them daily - mark with a 4  
do you wear them weekly - mark with a 2

vests

Anything worn less often - mark with a 1 if it's essential even in a minimum wardrobe.

pullover layering tops such as sweaters, tunics, overblouses

Make sure you have an outfit for very rare events you might have little warning of.

sleeveless tops, camisoles

Star your 'signature' garment if you have one.

casual tops

---

short sleeved tops

And that's your own personal minimum wardrobe plan, the fewest clothes to cover your needs.

blouses, shirts

pants, crops, shorts

Have you got those numbers of items ?

jeans

Are they flattering and in your style, items that you love ?

leggings

Do they make outfits ? co-ordinates ?

jumpsuits

skirts

What does that tell you about your priorities for adding to your wardrobe ?

jumper dresses

dresses

What colours, fabrics, styles would be best for adding outfits ?

protective clothes such as aprons, coveralls

special clothes for hobbies, sports, work
